RE: APBB –License Application Instructions

Every person involved with a company providing bail must complete an application for licensure. The application can be completed online through Alabama Interactive or by printing the application form and submitting by mail. The application fee is \$125.00 and the processing online is slightly higher. There is also an identification card required, and the fingerprint background check. The identification card fee is \$10 and the background check is \$38.25. The \$10.00 fee and the \$38.25 must be paid whether the application is paid on-line or through the paper application. Acceptable payment for paper applications must be submitted along with the application. We accept cashier's checks, business checks or money orders - one check can be used to pay all three fees for \$173.25.

Required along with the applications are the ALEA fingerprint background application, completed fingerprint card, the Immigration Verification Form and a copy of your driver's license. The Board will deliver the ALEA applications to ALEA. Paper applications for licensure also need a 2 x 2" passport type photo and a copy of your driver's license.
